

WELKOM HELLO

SIYAKWAMUKELA
DUMELA SAWUBONA

ourstory:

What started as a small venture has grown into one of Thabazimbi's most unique destinations; offering Accommodation, a Bar, Restaurant, VSlots, Carwash and Events Boma, all in one convenient location.

At the heart of everything we do is a passion for people. We pride ourselves on warm hospitality, great food, and creating an experience where guests can relax, unwind, and feel at home.

Our name carries a story of the land itself. Years ago, when Iscor conducted iron ore blasting in the surrounding mountains, the powerful echoes would ripple through the area... a moment both thrilling and unforgettable for those nearby.

That natural phenomenon inspired the name Echo Mountain Inn, capturing a piece of local history and the unique character of our surroundings.

Today, while the echoes of the past have quieted, the spirit lives on... in the laughter, the atmosphere, and the memories created here every day.
